Wrist Measurement Guide:

Step 1:

Cut out the ruler on the left and apply a small piece of tape at the arrowed end.

Step 2:

Wrap the ruler around the circumference of your wrist so the paper sits roughly as you would like your watch to.

Step 4:

Note the measurement to the nearest half centimetre.

Step 5:

In the checkout area for the Lingray Watches website enter the write size measurement into the Additional Information field.
